

CHILD PROTECTION AND RISK ASSESSMENT TRAINING

I am able to offer individually tailored packages although below are some examples of frequently commissioned courses:

- Risk Assessment
- Sexual abuse risk assessment
- Young people who sexually abuse
- Children with sexual behaviour problems
- Parenting assessments
- Parents with mental health problems and child protection
- Parents with dual problems and child protection
- Parents with a learning disability and child protection
- Self-harming behaviour
- Substance misusing parents
- Mothers of sexually abused children
- Mothers living with domestic violence
- Assessing adult male and female sex offenders
- Understanding the impact of sexual abuse
- Internet sexual abuse
- Assessment of unborn children
- Safeguarding/Child Protection
 - Introductory
 - Intermediary
 - Advanced
- Assessing and managing domestic violence
- Building and sustaining resilience
- Assessing and managing allegations against professionals
- Family Group conferences
- Core group practice
- Charing child protection conferences
- Assessing and managing neglect
- Assessing and managing emotional abuse
- Assessment of kinship carers

I can also develop new courses or tailor existing ones to suit the individual requirements of the commissioning authority.
